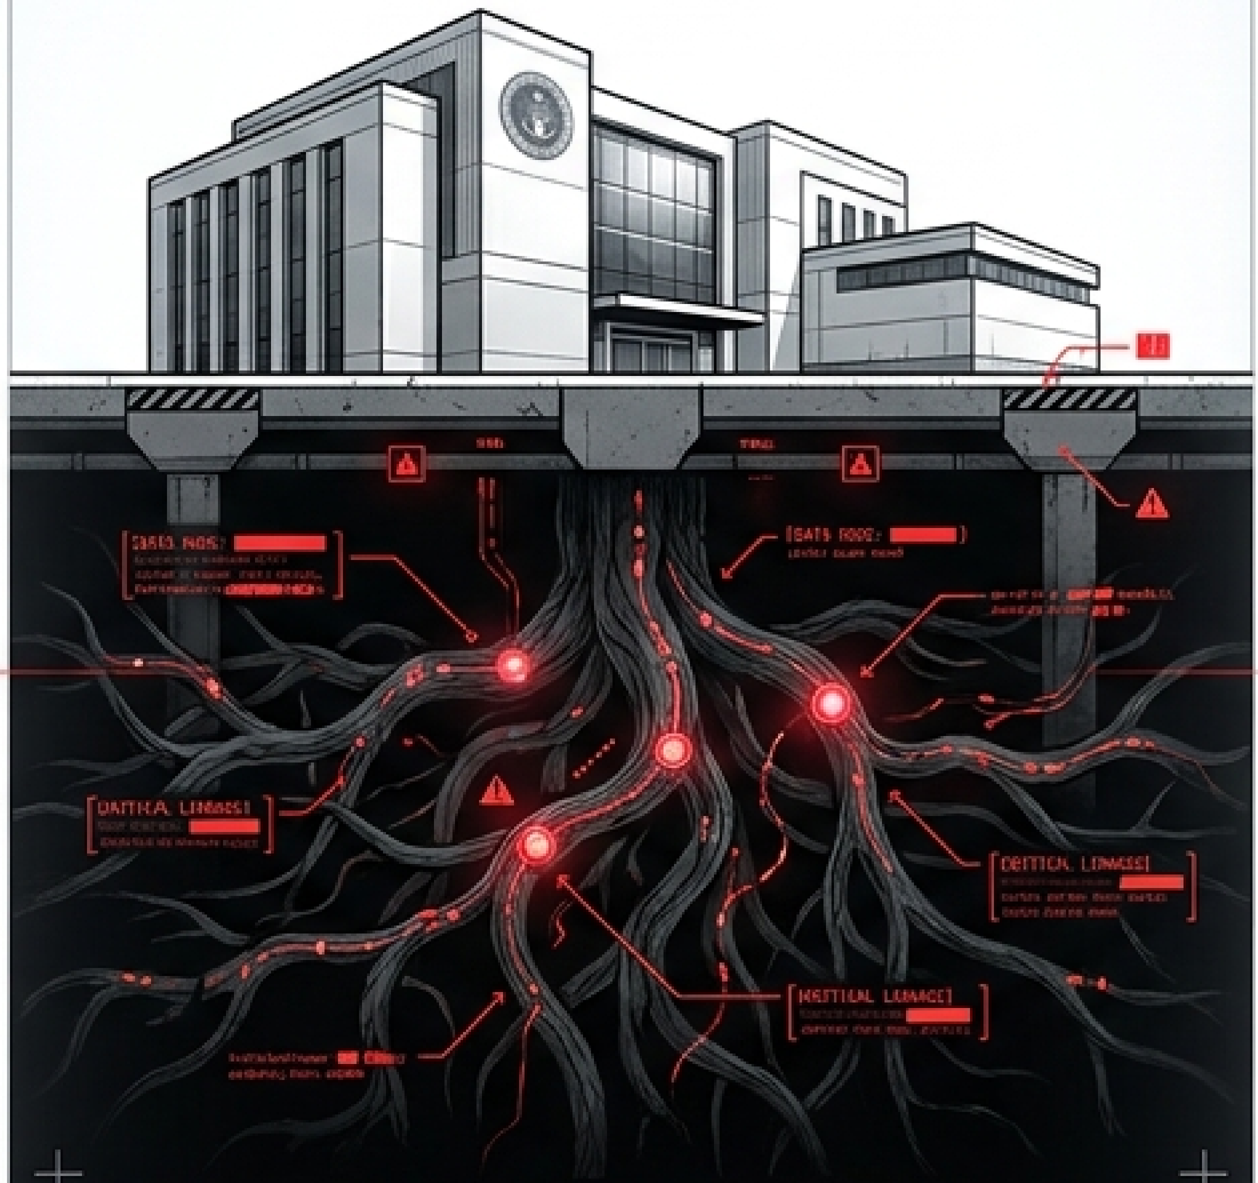
BEYOND THE BUREAUCRACY



Much of what is referred to as the Deep State is merely part of the government-entrenched bureaucrats in secretive agencies.

A shadowy network coordinates the true operations of power, acting as the Deep State behind the Deep State.

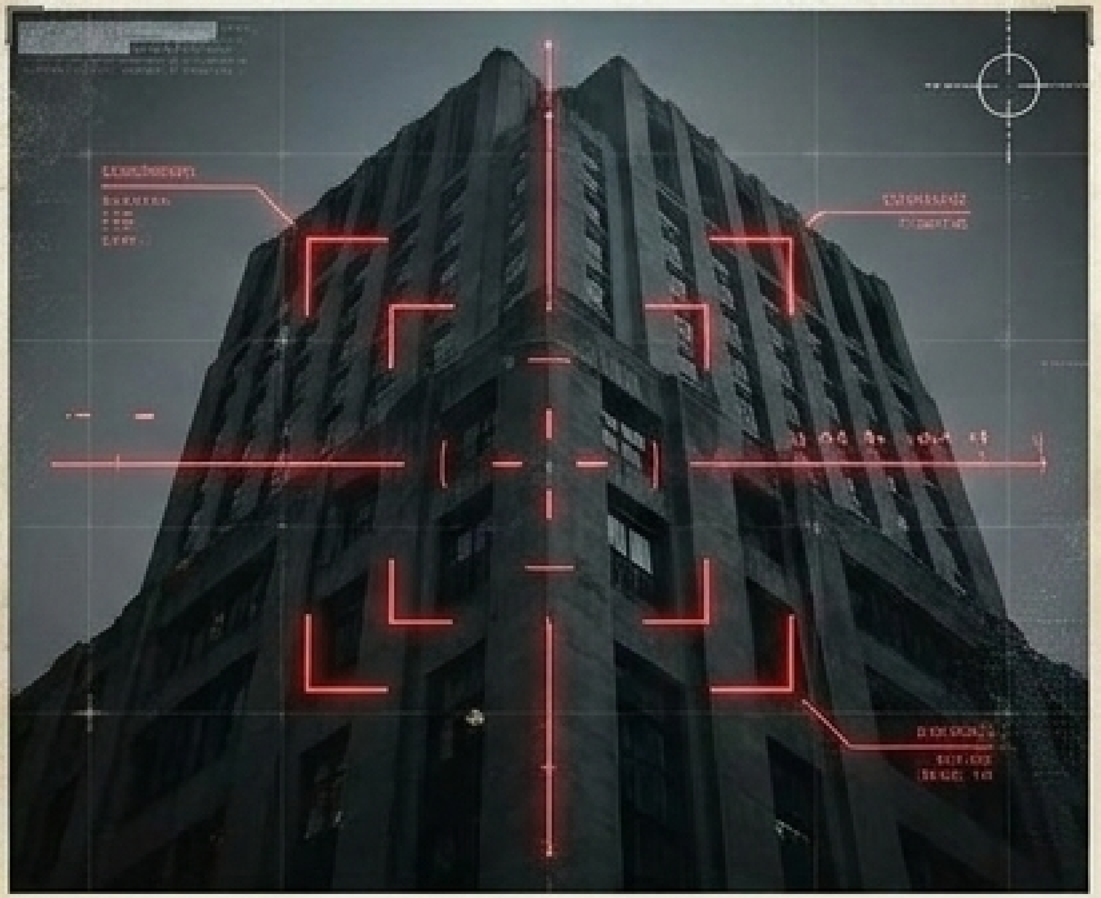
THE MOTHERSHIP: CFR



Founded in 1921 by establishment bankers and globalist ideologues.

The Council on Foreign Relations acts as the primary public face of the hidden network, designed to ensnare American policy in globalist entanglements.

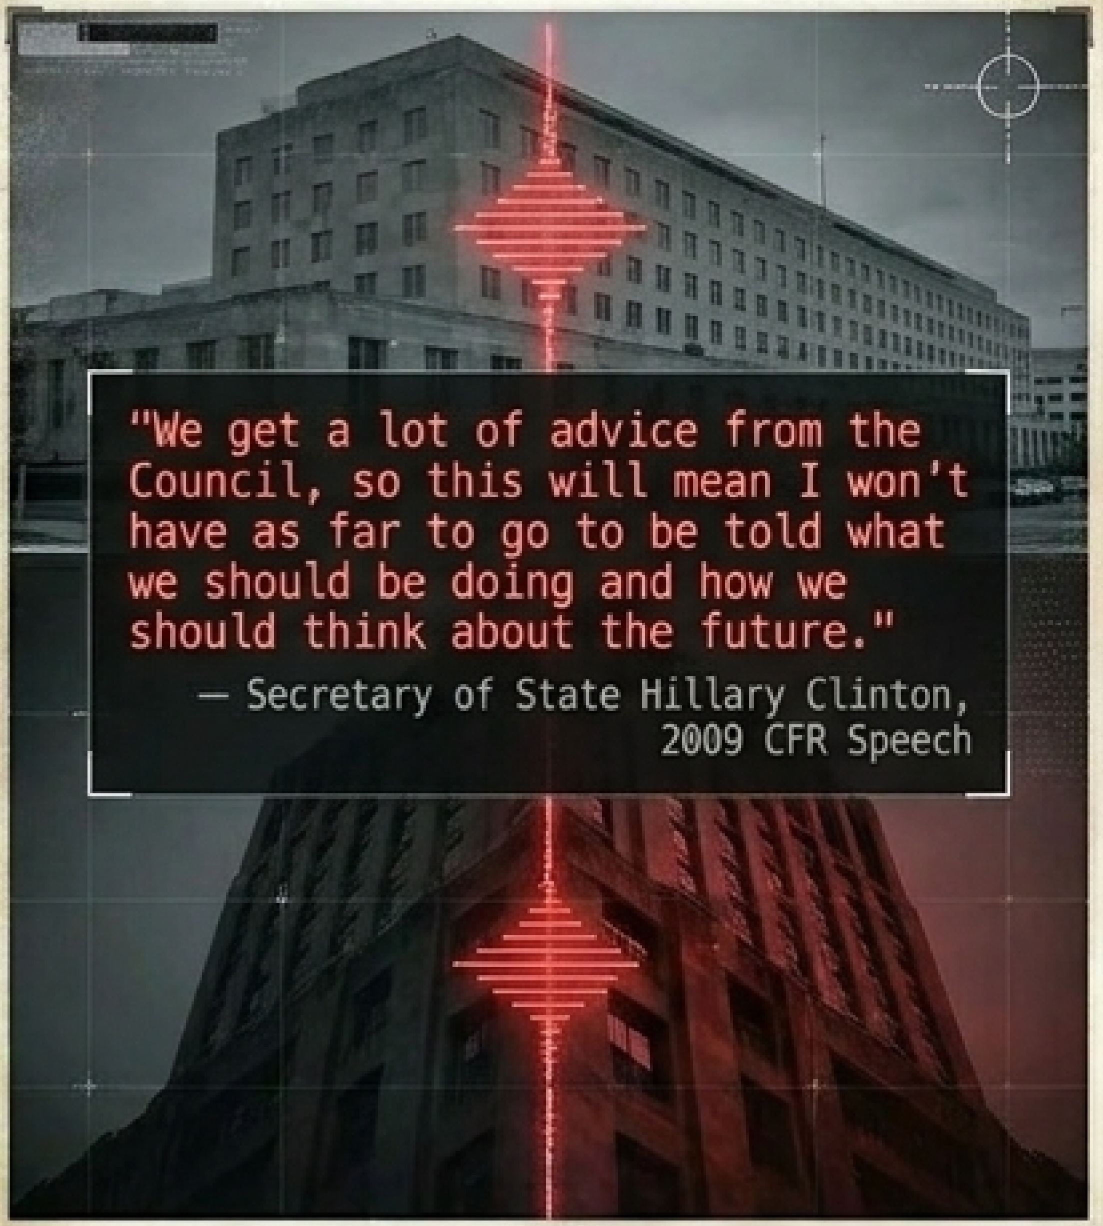
THE DEMOCRAT CONNECTION



> "We get a lot of advice from the Council, so this will mean I won't have as far to go to be told what we should be doing and how we should think about the future."

Step 1: CFR decides a policy.

Step 2: Research facilities develop emotional/intellectual arguments to confound opposition.

Step 3: Arguments are deployed in **Foreign Affairs**.

Result: Anyone can read the journal to determine years in advance exactly what future U.S. policies will be.

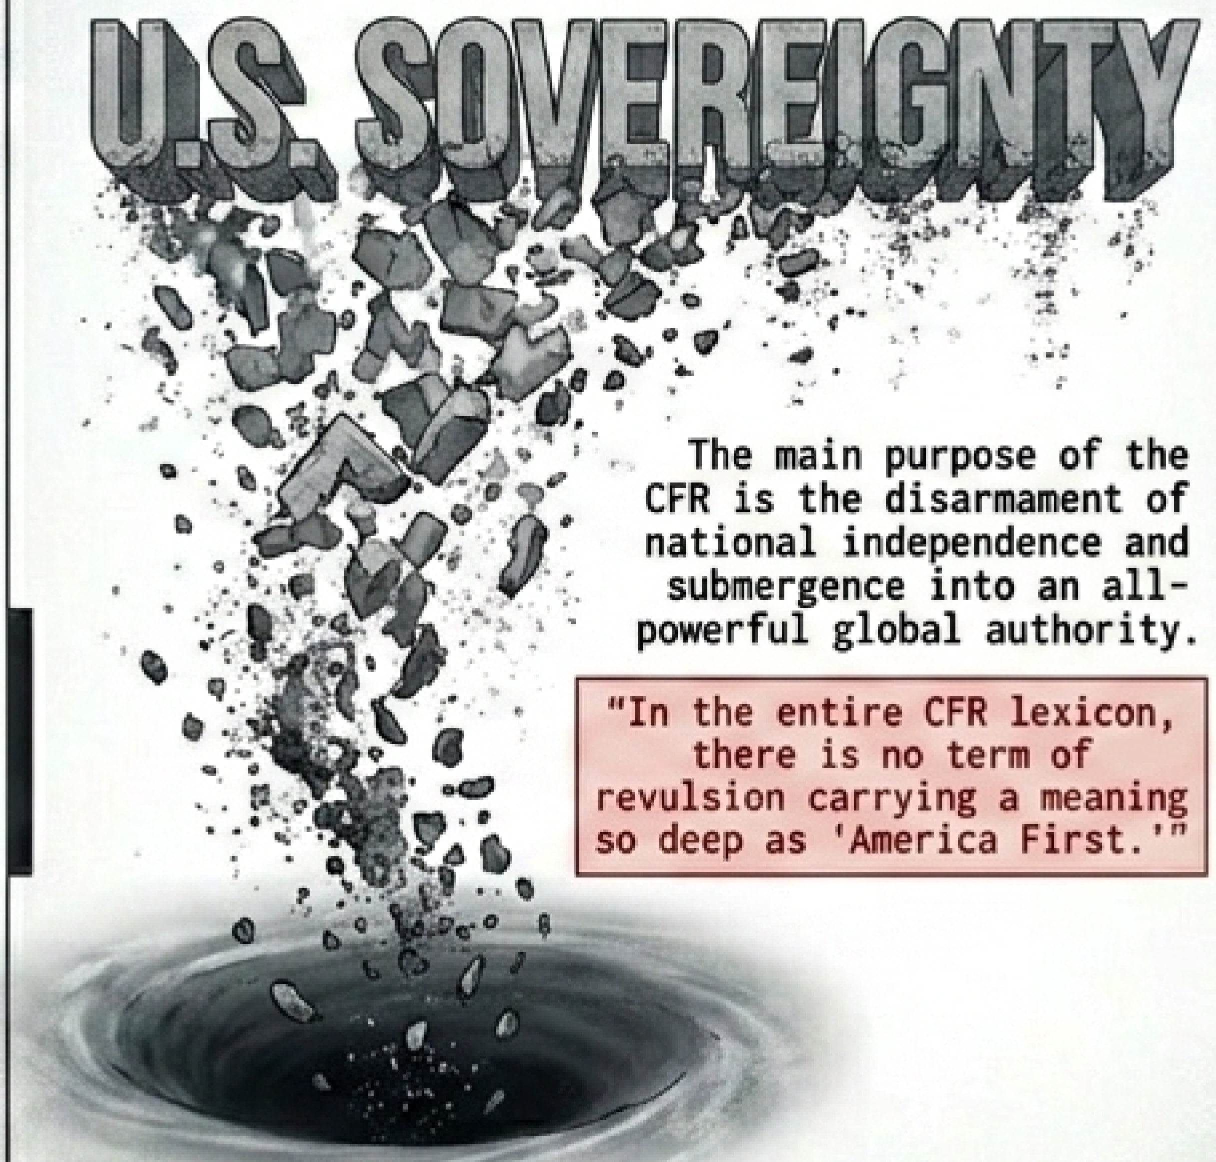
THE SUBMERGENCE

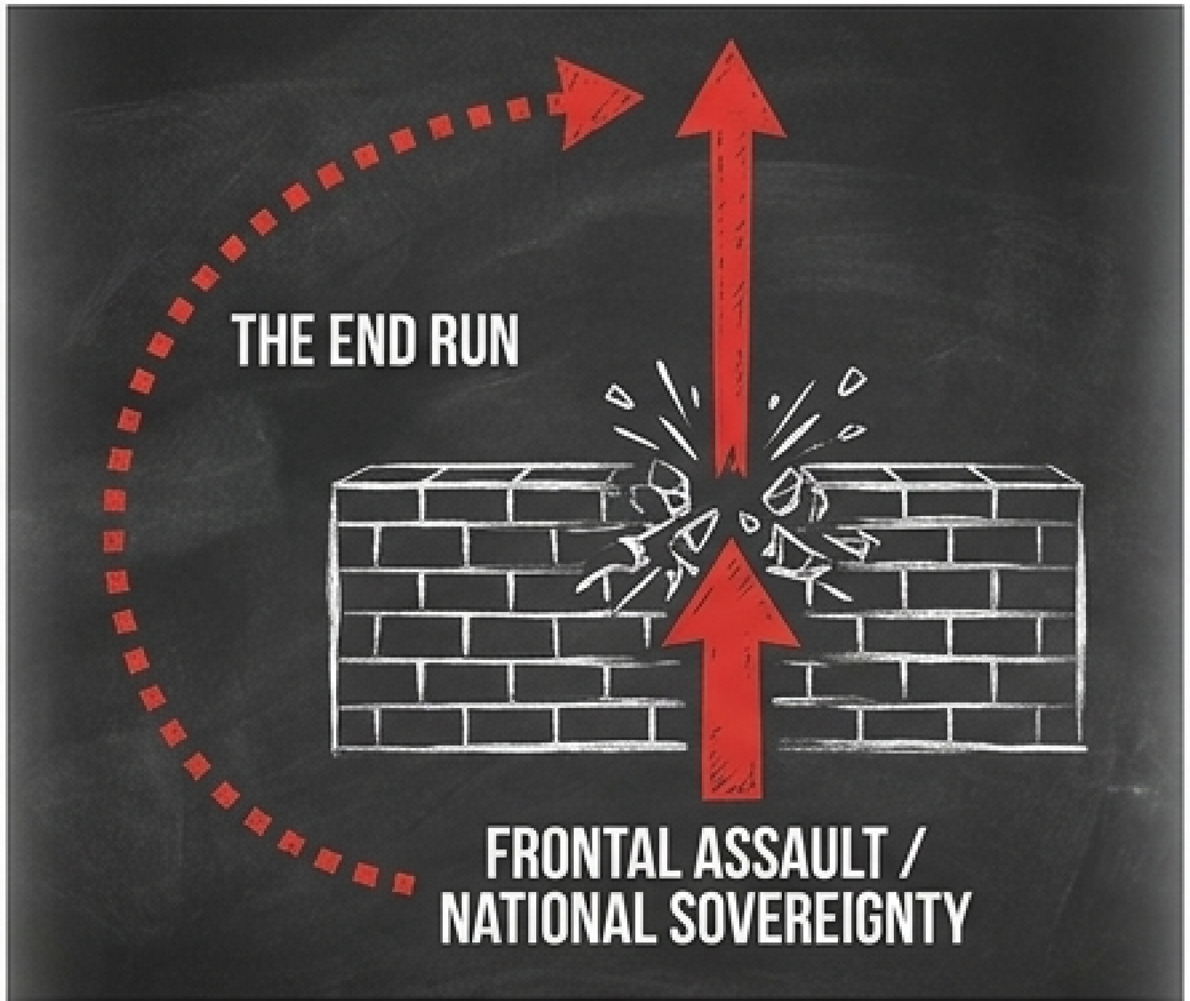


The main purpose of the CFR is the disarmament of national independence and submergence into an all-powerful global authority.

"In the entire CFR lexicon, there is no term of revulsion carrying a meaning so deep as 'America First.'"

ONE-WORLD GOVERNMENT

THE END RUN STRATEGY



THE END RUN
FRONTAL ASSAULT / NATIONAL SOVEREIGNTY

> "The 'house of world order' will have to be built from the bottom up... An end run around national sovereignty, eroding it piece by piece, will accomplish much more than the old-fashioned frontal assault."

— CFR's Richard Gardner,
Foreign Affairs (1974)

HIDING IN PLAIN SIGHT

The organizations are not secret.
Their reports are public.
Their members are known.

Deception and subversion are their primary tools.

The architecture of the Deep State is visible to anyone willing to look. look. Will enough recognize the danger before it is too late?
